- Reliable

## Employment Experience:

### Diver ABCO

Carried out inspections, screen cleaning, installation, and pneumatic drilling for the company. Reacted to next day calls out 250+ miles away. Serviced stations for the Irish water board and carried out civils work all over the North. Fish farm inspection and maintenance including repair of nets and well as recovery of dead stock and report on status of remaining stock.

### Diver HULLTEC

Inspection and repair of NI waterworks plant. Underwater drilling with Nemo drill to install plates. Cleaning of water tanks for better water quality. Pipe inspection to ensure integrity for a housing project downstream. Anode installation out of Belfast harbour on the ferry port and channel marker buoys.

### Diver IRISH SEA CONTRACTORS

Replied to a next day call out in Dublin Port. Debris salvage in black water to clear seabed for dredging. Locating, securing and recovering large items (fenders, clump weights, chain) to the boat via crane and winch. Weekend work to maintain momentum of the job.

## **Diver HULLTEC**

Civils work carried out all over Northern Ireland at varying depths and in extremely limited visibility. Tasks performed include various inspections via video feed including anode and hull inspections, burning (broco), welding (tacking), using lift bag for placement and alignment of new anodes, quay inspections and prop clearances. Tending, working with power tools on the surface, setting up kit, standby diver, plant operation (setting up O2, broco, welding etc.), compressor use and refilling bottles.

## **Standby Diver ABCO**

Standby during a pier repair project. Assisted with prep for the day, setting up kit, launching the work barge and acting standby diver while work was being undertaken at the dive site.

## **Art Director Film/TV**

Promoted to cover block 2 of the series - Breakdowns, prop inventory, and team management to ensure an efficient and adaptable art department which maintained a high quality, punctual output throughout.

## **Standby Diver Commercial Diver Training**

Standby diver for all dives for the duration. Daily kit inventory, filling tanks and evening preparation to ensure efficient diving workday.

## **Assistant/Standby Art Director Film/TV**

Team lead and position of influence and trust with decision making for the shoot. Continuity for visual aspects and take re-sets. Daily prop inventory and preparation for upcoming days. Ensuring solid team communication and smooth sailing of day to day tasks.

## **Divemaster (Caribbean)**

Maintenance and upkeep of kit, dive leader (inc. skill demonstrations during courses) and looking after clients. Shop maintenance inc. installing stud wall and advertising banners, painting and general care of dive shop. Divemaster duties.

## **Wakeboard Park Assistant**

Demonstrating wakeboarding techniques to beginners and cable operator.

## **Divemaster (Ireland)**

Taking people through their Open Water skills under the supervision of an Instructor as well as taking new divers out for Discover Scuba sessions (I received extremely positive Trip Advisor reviews while I was there by return customers). Divemaster duties.

## **Lifeboats (RNLI) Sea Safety Awareness Campaigner**

Sharing vital sea safety messages to children and adults at public events.

## **Additional Qualifications**

15 years recreational diving experience  
Full car and motorbike license  
ILM level 2 Leadership and Teamwork  
CMI level 2 Project Management

## **Volunteering**

RNLI supporter  
White Shark Projects volunteer in South Africa  
English teacher in Vietnam
